

# Learn & Earn

**Free continuing education credits**

# W

ant to earn free continuing education credits and help new moms troubleshoot breastfeeding problems at the same time?

Enroll today for one or two breastfeeding courses to help promote, protect, and support breastfeeding.

Courses offered by the Texas Department of State Health Services, Special Supplemental Program for Women, Infants, and Children (WIC), include Breastfeeding Management and Breastfeeding the Compromised Infant.

## **Breastfeeding Management (6.0 credits)**

### **You'll learn:**

- The unique properties of breastmilk.
- The mechanisms of milk production.
- The skills required to manage breastfeeding challenges in the first week.
- Strategies to support new moms for better breastfeeding outcomes.

## **Breastfeeding the Compromised Infant (4.0 credits)**

### **You'll learn:**

- The benefits of mom's milk for her preterm infant.
- Ways to help a new mom establish her milk supply for her compromised infant.
- Skills to help a preterm infant learn to latch and suckle at the breast.
- Discharge planning to support successful breastfeeding at home after the neonatal intensive care unit stay.

### **Continuing Education Credits: Breastfeeding the Compromised Infant**

This continuing nursing education activity was approved by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (4.0)
